John Savage reviewed the changes to the Board Standing Committees, noting that Ron Hall's name was inadvertently left off the Building Project Committee, adding Ted Syverson to Operations and Building Committees and adding Tom Johnstone to the Corporate & Administrative and MOU with SCC and Communications Committees.

A new Standing Committee, the "Nominations Committee", was established as requested by the members during the AGM. The members of the Nominations Committee will be Hugh Grasswick, Ron Hall and John Savage.

Tom Johnstone suggested that the Nominations Committee should put together a list of attributes and responsibilities associated with serving on the Board of Directors, to enable society members to make an informed decision on running for a Board position. Lorne

Bolton suggested that nominations be cut off two weeks before the AGM and that the list of nominees be published at that time.

Motion: Moved by John Savage and amended by Lorne Bolton to include the Nomination Committee in the 2010-2011 Standing Committees and that they be established as provided for in the document dated June 27, 2010 and that they have the same authorities as the 2009-2010 Standing Committees.
