# TUMBO CHANNEL ROAD

### Tumbo Channel Road Border

Mixed plantings with native evergreen shrubs with mature height up to 12 feet with some native deciduous shrubs with mature height of up to 12 feet, creating a vegetative barrier 16 feet above the road.

- ! Tall Oregon Grape (*Mahonia aquifolium*)
- ! Salal (*Gaultheria shallon*)
- ! Sword ferns (*Polystichum munitum*)
- ! Ocean Spray (*Holodiscus discolor*)

### West Border

Mixed plantings of evergreen trees and shrubs with mature height up to 80 feet with some native deciduous trees with mature height of up to 20 feet:

- ! Hemlock
- ! Leyland cypress (*Cypress leylandii*)
- ! Vine Maple (*Acer circinatum*)
- ! Tall Oregon Grape (*Mahonia aquifolium*)

PLANTING

### East Border (between fence and road)

Mixed plantings with native evergreen shrubs with mature height up to 12 feet with some native deciduous shrubs with mature height of up to 12 feet:

- ! Tall Oregon Grape (*Mahonia aquifolium*)
- ! Salal (*Gaultheria shallon*)
- ! Red Elderberry (*Sambucus racemosa*)

### East Border (10 feet in front of and along fence)

A row of native evergreen shrubs with mature height up to 12 feet:

- ! California Myrtle (*Myrica California*)

CEDAR FENCE

Note: Proposed Cedar fence 8 feet tall x 100 feet long
